A FUN DAY OF GOLF! SIGN UP IN THE CLUBHOUSE!

A date and more information will be announced soon.

US & MT Flags will be placed at both entrances on specified holidays as a welcoming symbol of patriotism and honor those who have given the ultimate sacrifice or served our country in defending our freedoms.

With donations from residents we were able to purchase 9 flags! Thank you!

Recreational Vehicles

Our CCR's state "no recreational vehicle, trailer, camper, boat, or similar equipment shall be permitted to remain upon any lot".

There has been numerous campers, trailers, and RV's parked for an extended amount of time in driveways and streets. This creates a hazard and an eyesore to our neighborhood.

With 488 homes in Village Greens, it makes it difficult to maneuver in our streets and sidewalks and also creates a hazard for our walkers and children.

We understand a couple days to load and unload. There is no camping in Village Greens.

We appreciate your cooperation. Let's continue to have Glacier Village Greens a safe and welcoming place to live.
